01 About Company

Bateriku.com

Established in March 2014, Bateriku.com started as an on-demand car battery replacement service provider and has since evolved into an ecosystem that connects car users with roadside assistance, trusted workshops, an auto parts marketplace, and related services.

Bateriku.com's headquarters is located in Bukit Jelutong, Shah Alam, Selangor.

Bateriku.com provides a specialized training platform that develops skilled professionals and entrepreneurs in the automotive and battery service industries through Akademi Bateriku.

Services Offered:

- Battery & Jump Start
- Fuel Top Up
- Car Locksmith
- Tyre Repair & Replacement
- Towing
- Workshop Services
